

A CALL TO THE COMMUNITY: HOUSING CONSULTANT POSITION

We are looking for a diversified team of consultants with lived experiences that have been part of any of the following programs or situations:

- **First-time homebuyer (which could include homebuyer education participants)**
- **Existing homeowner buying their next home**
- **Homeowner seeking or receiving a home-improvement or rehabilitation loan**
- **Resident of a manufactured-home community**
- **Resident who lives in a subsidized housing with income and/or restrictions**
- **Renters who hold a rental housing voucher**
- **People who have experienced homelessness, including people who currently live in permanent supportive housing**

Consultants alongside Rainbow Research will support Minnesota Housing efforts to develop their next strategic plan. Consultants can expect to work 6-14 hours a month between March to September 2023

**Consultants will be compensated at \$50.00 per hour.
Deadline for applications: March 5th, 2023**
